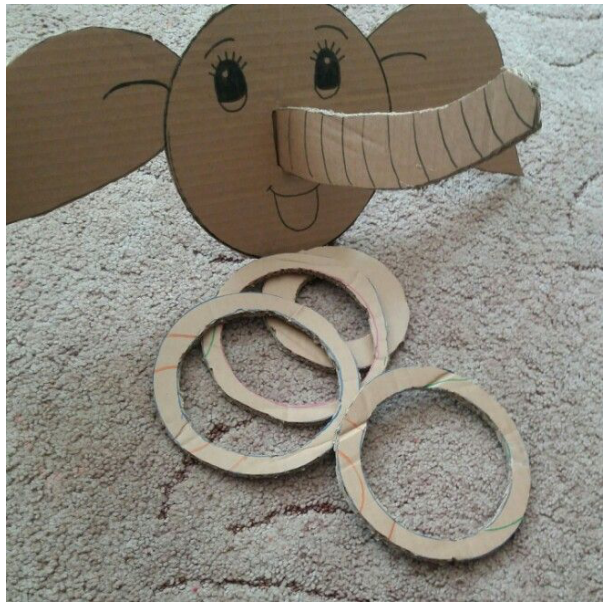
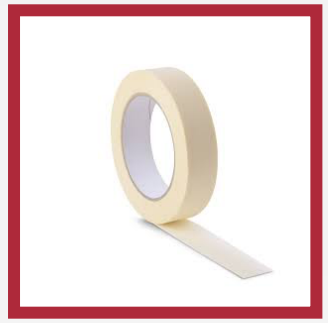
YOUR CHALLENGE

Elephant catch

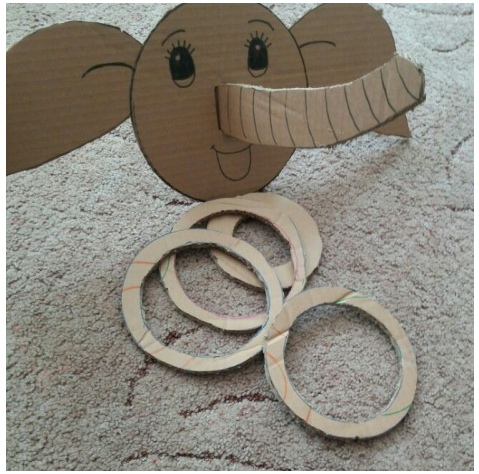


STEP 1 Gather Your Materials



STEP 2 — Make your Elephant

- Step 1: Draw an elephant on a large piece of cardboard then cut it out
- Step 2: where the trunk is, cut a slice to fit the elephant's trunk through and stick once it's through the back. Make sure the trunk is secure
- Step 3: using cardboard make 3\4 rings that can be thrown and caught by the trunk
- Step 4: attach the elephant to a wall or a door and see how many rings can be thrown onto the elephant's trunk.



Why not turn the game into a competition with your family or friends?
